

**VARIEGATA CASTELFRANCO DI LUSIA - LUSIA**

Vigorous plant with wide leaf covering, green coloured. The cycle is early, ripening 80 days after planting, recommended for autumn harvest. The round shaped head, of good size, is closed harvested, and closed or open processed. Its average weight is 250-300 g. Colour is white cream with red dotting. Flavour is very sweet and crispy at ripening.
