

ES 91909 F.1*

Hybrid of medium-early cycle with high fertility and good shelf life. The plant is vigorous, very healthy, deep green coloured and with good and wide leaf covering. The cycle is 100 days with concentrated ripening. The fruit is uniform, weighing 85 g, uniform and very firm. The flesh has great colour, is very thick and firm, with high sugar content. It is recommended for August medium harvest.
