

ERIS F.1

Conical red pepper hybrid "Cayenne" type. Fruit size is 1-2 x 10-14 cm and very spicy placenta. Bright dark green colour which turns to deep red at full ripening. The plant is tall, vigorous and with very early cycle; it is characterized by good fruit setting and great yield performance. It is recommended for spring-summer open field and protected cultivations. High resistance (HR) to TMV (Tm:0-3).

Categories: PEPPER

INFORMAZIONI AGGIUNTIVE

Botanical Name	Capsicum annum L.
Produced by	Esasem
Variety	Eris F.1
